CAROLINE VAN H. BEAN.

The Wadsworth Record

Progressive Minded

Sir: Mr. Wadsworth tries to show in

He has asked us to go back ten and fourteen years, when, as Speaker of the Assembly, he was an influential member of the New York legislative body. It York State above the low standard in year in and out bills for the better protection of children are still introduced.

When Mr. Wadsworth says "We passed the famous eight-hour law" he does not make himself clear. The fifty-four-hour law for women was defeated, but an eight-hour law for children in factories was passed in 1907. I presume he refers to this law as the "famous law," but it takes a good deal more imagination than most of us possess to appreciate the reason for calling an eighthour law for young factory children "famous.

Mr. Wadsworth assures us that "all Poland in its present critical conflict these steps toward the betterment of human life had my active support as that its Socialist and workmen's or- Speaker." Indeed, for whatever Mr. ganizations ard not standing by the Wadsworth did to aid the intelligent in giving him more than is his due, for Illuminating evidence that such is if Mr. Wadsworth was then or is now by the Polish Socialistic party and ad- believe he could not have escaped being
